Monex Boom Securities “Global Futures” launch

Hong Kong

15 July 2019

Monex Boom Securities announced to launch Global Futures Trading

We, MONEX BOOM, headquartered in Hong Kong, were the first to offer online stock trading to retail investor in Asia-Pacific. As a pioneer of online securities trading in Hong Kong, we consistently strive to improve our services and offer a wide range of investment products to our valuable customers. Last year, we extended our offerings to the Hong Kong Futures trading services. Today, we take another step to launch the Global Futures trading services that enable clients to build portfolios pursuing their investment goals.

By combining our versatile multi-currency account, MONEX BOOM Global Futures trading services offer our clients the convenience of holding as many as 6 different currencies in a single account. Attributed to the “Auto-currency Conversion” feature, all the trade assets denominated in multiple currencies can be consolidated into buying power of the trading account.

Clients can make use of the instant funds transfer to grasp the investment opportunities by switching their available fund between the securities and the futures markets. All transfer instructions can be given online without the hours of service restriction.

Once a client open an investment account of MONEX BOOM’s Global Futures trading services, the client can trade up to 51 global futures products in the major exchanges and enjoy the promotional rate down to zero commission. Those popular futures contracts include:

SGX:

- **FTSE China A50 Index Futures**

CME:

- **E-mini Dow Futures**
- **E-mini S&P 500 Futures**
- **E-mini Nasdaq-100 Futures**
- **FX Futures**
- **Gold Futures**
- **Crude Oil Futures**

MONEX BOOM strives to offer clients with a broad variety of investment products and bring a secure and convenient alternative to both local and foreign investors in global investment trading.
