## TradeStation Awarded “#1 Platform Technology” and “#1 Crypto Technology” in StockBrokers.com 2022 Online Broker Review

*Once again, TradeStation has earned high scores in annual broker review*

**PLANTATION, Fla. (Jan. 12, 2022)** – TradeStation Group, Inc. (“[TradeStation](#)”), a Monex Group company and an award-winning\*, self-clearing online brokerage for trading stocks, ETFs, options, futures and crypto, is excited to announce two #1 rankings for its subsidiaries in StockBrokers.com’s 2022 Online Broker Review. TradeStation Securities, Inc. (“TradeStation Securities”), a broker-dealer and futures commission merchant, was awarded the title of “#1 Platform Technology” for the 10th consecutive year. In addition, TradeStation Crypto, Inc. (“TradeStation Crypto”), which offers a cryptocurrency brokerage platform, was the winner of “#1 Crypto Technology” for the second consecutive year.

TradeStation Securities also earned 2022 Best in Class accolades in six categories:

- Active Trading (12 years running)
- Commissions & Fees (three years running)
- Futures Trading (three years running)
- Mobile Trading Apps
- Options Trading (10 years running)
- Platform & Tools (11 years running)

“In a banner year for trading activity in the financial and crypto markets, we are thrilled to have our platform and crypto technology once again recognized by the annual Stockbrokers.com awards,” said John Bartleman, President of TradeStation Group, Inc. “As the cryptocurrency market continues to grow with younger generations looking to invest, TradeStation is delighted to continue our culture of innovation and provide the best service for new and experienced traders alike.”

StockBrokers.com’s 12th annual Broker Review reviewed 15 brokerage firms on a total of 205 total variables and 3,075 data points collected. Brokers were assessed within nine main categories: Customer Service, Commissions & Fees, Research, Platforms & Tools, Mobile Trading Apps, Offering of Investments, Education, Ease of Use and Overall.
