TradeStation Wins “Broker of the Year” and “Best Multi-Asset Broker” in TradingView’s 2021 Broker Awards

Two years in a row TradeStation is recognized by TradingView users.

PLANTATION, Fla. (February 3, 2022) – [TradeStation](#), an award-winning*, self-clearing online brokerage for trading stocks, ETFs, options, futures and crypto, has won “Broker of the Year” and “Best Multi-Asset Broker” for the second consecutive year in [TradingView’s Broker Awards](#) for 2021.

The Broker Awards are where some globally available brokers compete to show off their technology and capabilities. Awards are decided based on feedback and reviews from TradingView users, plus TradingView’s own technology information such as engagement, platform uptime and more.

“We are grateful to once again be recognized by TradingView and its users through the Broker Awards,” said John Bartleman, President and Chief Executive Officer of TradeStation Group. “We pride ourselves on our superior technology and integration capabilities and are especially thrilled to be recognized in this capacity. We see the value in offering multi-assets to our customers from stocks to crypto, providing investors access to diverse markets.”

In 2019, TradeStation Securities, Inc. became the first U.S. multi-asset class broker to offer TradingView users access to its brokerage service. TradeStation Crypto, Inc. was also the first crypto broker on TradingView to offer consolidated market data capabilities on a global scale. 2021 marked another first as TradeStation Crypto, Inc. became the first broker to make crypto bracket order functionality accessible via an API connection from TradingView.

“We are proud to continue working with TradingView and look forward to what the future has in store, as we both continue to try to put traders first,” said Bartleman.

TradeStation Crypto, Inc. is based in the backyard of Miami, a growing crypto financial capital. For decades, TradeStation has been a premium broker offering advanced tools and technologies to investors. In addition to stocks, ETFs, options, futures and crypto, TradeStation customers gain access to powerful trading and analysis platforms, free market data, experienced customer support, trade-desk specialists and educational resources.
