## TradeStation Securities Wins Best Brokerage App at Benzinga's 2023 Global Fintech Awards

Plantation, Fla., November 21, 2023 – TradeStation Securities, Inc. (“TradeStation Securities”), an award-winning\*, self-clearing online brokerage for trading stocks, ETFs, options and futures, is proud to announce that it won an award for Best Brokerage App at [Benzinga's 2023 Global Fintech Awards](#).

TradeStation Securities has meticulously developed its trading platforms and tools, aiming to empower active traders and investors with robust, dependable resources that bolster their trading confidence. The TradeStation Securities mobile application, compatible with both iOS and Android devices, is tailored for seamless, on-the-go trading execution. This app offers users data analysis capabilities, enabling in-depth examination of specific securities and tracking of market movements through advanced charting. It includes intuitive bid and ask buttons for streamlined order processing. Additionally, the application aggregates essential information such as positions, orders, and account balances across all TradeStation Securities accounts. It also provides detailed analytical tools, presenting insights into position development and facilitating prompt action with features like the Matrix and options chains screens.

“We’re honored to receive this recognition of having a Best Brokerage App at this year’s Benzinga Global Fintech Awards,” said John Bartleman, President and Chief Executive Officer of TradeStation Securities’ parent company TradeStation Group, Inc. “Receiving this award is a testament to our hard work and dedication in enhancing our brokerage app as we work toward our goal to provide our clients with the ultimate trading experience.”

In addition to TradeStation Securities winning Best Brokerage App, the company was recognized as a finalist for Best Broker for Sophisticated Traders.

The annual Benzinga Global Fintech Awards recognize companies and individuals who are helping propel the fintech industry forward with new discoveries. Finalists and winners are selected based on evaluations and scores given by a panel of judges including Benzinga editorial staff, industry leaders, and advisors in the space. Winners were announced at Benzinga’s Fintech Deal Day on November 13, 2023, where John Bartleman spoke on the panel, “Future-Proofing Trading: Embracing Innovation and Trends for Success.”

### **About TradeStation Group, Inc.**

Founded in 1982, TradeStation Group companies (“TradeStation”) provide innovative fintech tools and are focused on delivering the ultimate trading experience to our clients. TradeStation provides award-winning\* trading and analysis platforms and self-clearing online brokerage services for stocks, ETFs,

equity and index options, commodity and financial futures, futures options, and digital assets. These trading platforms are accessible on desktop, web, and mobile devices, as well as via API technologies that provide seamless access to TradeStation's brokerage environment through third-party platforms. TradeStation's offerings also include deep and growing learning content designed to hone the skills of seasoned traders. In 2022, TradeStation commissioned the Miami Bull, an 11-foot, 3,000-pound statue, presented in Miami to both honor the city and champion the latest fintech technologies that have emerged around the world, including the emergence of blockchain, cryptocurrency, and decentralized finance.

TradeStation Securities, Inc. (Member NYSE, FINRA, SIPC, NSCC, DTC, OCC, NFA & CME) is a subsidiary of TradeStation Group, Inc. that offers self-clearing equities, options, futures and futures options brokerage services as a licensed securities broker-dealer and futures commission merchant (FCM) and is a member of major equities and futures exchanges in the United States.
