TradeStation Securities Wins #1 Innovation Award in StockBrokers.com 2026 Annual Industry Awards

Also honored as Best in Class across four categories

Plantation, Fla., January 29, 2026 – [TradeStation Securities, Inc.](#) (“TradeStation”), an award-winning[†], self-clearing online brokerage firm for trading stocks, options, futures, and futures options, won the #1 Innovation Award and has been honored with Best in Class distinctions across multiple categories in the StockBrokers.com 2026 Annual Awards. These accolades underscore TradeStation’s reputation for delivering advanced trading technology and reliable brokerage services to those who are born to trade.

The #1 Innovation Award recognizes the release of [TradeStation MCP](#), TradeStation’s model context protocol, which enables customers to connect AI platforms like Claude to their accounts and interact with markets creatively through conversation, facilitating new types of analysis, automation, and more.* The StockBrokers.com Industry Awards celebrate breakout innovations, unparalleled product offerings, and remarkable platform experiences. TradeStation’s recognitions reflect recent advancements such as the launch of [TITAN X](#), a next-generation trading platform offering customizable workspaces and advanced multi-asset tools.

“Winning the award for #1 Innovation affirms our vision for the future of active trading. Between TITAN X, TradeStation MCP, and our deep development roadmap, we’re just getting started with our renewed drive to keep active traders at the forefront of technological advancement,” said John Bartleman, President and CEO of TradeStation Securities’ parent company, TradeStation Group, Inc. “We’re excited for what’s ahead and grateful to StockBrokers.com for recognizing the innovation and experience we’re building for our customers.”

TradeStation also earned 2026 Best in Class accolades in four categories, indicating the company’s position among the Top 5 brokerages for each category and characterization as a “derivatives powerhouse”:

- Active Traders
- Advanced Trading
- Options Trading
- Futures Trading

For the StockBrokers.com 2026 Annual Awards, 14 U.S. online brokerage firms were reviewed across more than 300 variables spanning six core categories: Range of Investments, Advanced Trading, Research, Mobile Trading Apps, Education, and Ease of Use. More information about the methodology can be found [here](#).
