TradeStation Wins Broker of the Year in TradingView Broker Awards*

Recognized for multi-asset excellence

Plantation, Fla., February 12, 2026 – [TradeStation Securities, Inc.](#) (“TradeStation”), an award-winning[†], self-clearing online brokerage firm for trading stocks, options, futures, and futures options, was named Broker of the Year in TradingView’s 2025 Broker Awards. The award recognizes multi-asset brokers that excel in both trading offerings and market credibility. For TradeStation, it validates its decades of delivering advanced trading technology and trusted brokerage services to those who are Born to Trade.

TradeStation initially joined forces with TradingView in 2019 as the first U.S. multi-asset class broker to offer TradingView users access to its brokerage services. Over time, the relationship has expanded to include notable milestones, such as TradeStation becoming the first U.S. broker to [launch live options trading on TradingView](#). TradingView is a key part of the TradeStation ecosystem, going beyond basic API integration. Traders enjoy an end-to-end experience powered by custom-built scripts, published trading ideas, and access to strategies available via TradingView’s publications and scripts.

“We’re honored to be recognized for the work we’re doing to support active traders,” said John Bartleman, President and CEO of TradeStation Securities’ parent company, TradeStation Group, Inc. “Following last year’s launch of options trading, we’ve sharpened our strategy and built an ecosystem with TradingView seamlessly integrated. This helps give clients a clear path from idea to execution and aims to deliver the ultimate trading experience.”

The TradingView 2025 Broker Awards are evaluated based on verified client reviews, and this recognition reflects TradeStation’s credibility among active traders on the TradingView platform. Since TradingView launched its Broker Awards in 2021, TradeStation has earned numerous accolades, adding this latest honor to a growing list of milestones so far this year, including the release of [TITAN X](#) and [MCP](#) that highlight TradeStation’s commitment to active traders.
