## TradeStation Securities Wins “Futures Trading Systems” Category in TASC 2026 Readers’ Choice Awards for 22<sup>nd</sup> Consecutive Year

*Recognized across multiple categories for advanced trading technology,  
analytics and platform innovation*

**Plantation, Fla., April 9, 2026** – [TradeStation Securities, Inc.](#) (“TradeStation”), an award-winning\*, self-clearing online brokerage firm for trading stocks, options, futures, and futures options, has been named the winner of the Futures Trading Systems category for the 22<sup>nd</sup> consecutive year in the [Technical Analysis of Stock & Commodities Magazine \(TASC\) 2026 Readers’ Choice Awards](#). The category recognizes platforms that deliver advanced analytics and systematic approaches to futures trading, underscoring TradeStation’s leadership in trading technology, execution and reliable brokerage services to active traders.

Additionally, TradeStation earned top-tier recognition across multiple categories, including first runner-up distinctions in:

- Real Time/Delayed Data (Continuous Feed)
- Futures Brokerages
- Institutional Platforms
- Options Trading Systems
- Stock Trading Systems

TradeStation also received recognition as a finalist, semi-finalist, or honorable mention in the following categories:

- Stock Brokerages (Finalist)
- Professional Platforms (Finalist)
- Online Analytical Platforms (Finalist)
- Trading Centers, Schools, Training (Finalist)
- Mobile Trading App (Semi-Finalist)
- Options Analysis Software (Honorable Mention)

"This recognition from the readers of TASC is especially meaningful because it reflects the voices of the trading community we serve every day," said John Bartleman, President and CEO of TradeStation Group, Inc. "Winning the Futures Trading Systems category for more than two decades speaks directly to the depth and performance of our platform — and reinforces our commitment to building powerful tools, advanced analytics, and innovative technology that help traders analyze markets and execute their strategies with confidence."

Each year, the TASC Readers' Choice Awards invite readers to vote on their favorite products and services related to technical analysis and trading. Editors compile an initial list of products, and readers can add write-ins before completing a survey on Traders.com. Results are analyzed to determine winners, with categories organized by primary function and, in some cases, by cost to ensure fair comparisons.

These accolades reflect TradeStation's pace of innovation, including recent platform advancements. [TITAN X](#) is a next-generation trading platform designed with customizable workspaces and advanced multi-asset capabilities. TradeStation's [Model Context Protocol \(MCP\)](#) connection enables traders to connect AI assistants to their accounts and interact with markets in more conversational and automated ways.
